

## Conference Aim and Objectives

This conference aims to provide a platform for:

1. Capacity building in qualitative research for academics and practitioners who are in their early career of research
2. Advancing sciences in qualitative research
3. Collaboration between qualitative and quantitative researchers sharing common interests in certain health and social issues
4. Exchange of research findings among researchers and scholars from different health and social disciplines
5. Promoting use of qualitative research findings to guide practices and policies with the pursuit of humanity and social peace

## Important Dates

Early bird registration: December 1st, 2017 – January 15th, 2018  
Regular registration: January 16th – 31st, 2018  
Abstract submission: December 1st, 2017 to January 15th, 2018  
Full paper submission: December 1st, 2017 to January 31st, 2018  
Abstract acceptance notification: January 31st, 2018  
Full paper acceptance notification: January 31st, 2018
